Install

Install the app then search for Dunfermline TFC in 'find my team'.

Once downloaded create your account.

You need to be added to access Groups so if you find the age group that your athlete is in (this will be U11,U13,U15,U17,U20 , if you don't know ask the Coach) and send for approval.

Club fixtures for the various leagues are put out on Team app usually 3-4 weeks before the event.

When these are received, please accept or decline depending on whether you can attend the fixture.

Please contact any of the coaches on a training night should there be any problems
